You have the same duty to disclose those matters to **Us** before **You** renew, extend, vary or reinstate the **Policy**.

The duty applies until the **Policy** is entered into, or where relevant, renewed, extended, varied or reinstated (Relevant Time). If anything changes between the time **You** provide answers or make disclosure and the Relevant Time, **You** need to tell **Us**.

Significant risks

The risks associated with **Your Certificate** include:

- whether the **Certificate** will provide the cover **You** require. Cover may not be adequate because the type or amount of cover **You** require does not match the cover provided by **Your Certificate**.
- *For example*, because **You** do not satisfy terms and conditions of cover or an exclusion applies, such as **You** fail to take adequate precautions to protect the health of **Your Horse**.
- if **You** do not comply with **Certificate** terms and conditions, for example **Your** duty of disclosure, **We** can refuse to pay part or all of a claim.

The amount **You** pay for this insurance

The amount **We** charge **You** for this insurance **Certificate** is the total amount of the **Premium** that **We** calculate to cover the risk plus any relevant government charges (such as stamp duty). This is the total amount payable shown on **Your Certificate** and is the amount **You** must pay. If **You** change **Your** cover in any way, **You** may be required to pay an additional amount or may be entitled to a refund of **Premium**.

How various factors affect **Your Premium**

We consider a number of factors in calculating **Your Premium**. The key factors that affect the **Premium** are the type of cover and any optional benefits available that **You** select. For example, Mortality plus Loss of **Use** cover for **Your** items will be more expensive than a cover restricted to Mortality only.

The amount of **Premium** that **You** pay will also depend on the information **You** give **Us** about **Your** items and the other factors.

How to apply for insurance

Complete and submit **Our** application form. If **We** accept **Your** application for insurance, **You** will receive a **Certificate** that sets out details of the insurance.

Your duty of disclosure

You have a legal duty of disclosure to **Us** whenever **You** apply for, change or renew an insurance cover. Details about disclosure information are shown in the **Certificate** wording under “Duty of Disclosure”.

 - notify A.I.S. Insurance Brokers Pty Ltd by telephone, facsimile or by email as soon as practically possible;
 - have a **Post-Mortem** examination completed and an autopsy report prepared, at **Your** expense, by a licensed **Veterinarian** approved by A.I.S. Insurance Brokers Pty Ltd and

Contact A.I.S. Insurance Brokers Pty Ltd and explain what happened. **We** will advise **You** of the claims process and assist **You** through the next steps.

The amount You pay towards a claim

An excess is an amount that **You** are required to pay in the event of a claim. The amount of excess depends on the assessment of risk.

All applicable excesses and their amounts will be shown in **Your Certificate**.

How a claim payment is calculated

We will pay a sum not exceeding the **Market Value** of **Your Horse**, or equipment shown in the **Certificate** at the time of loss or the **Sum Insured** shown in the **Certificate**, whichever is the lower, in relation to Public Liability **We** will pay any amount which **You** are legally liable to pay a third party in respect to Property Damage or Bodily Injury subject to the **Certificate** limit shown.

If **You** are registered for GST purposes, **You** may be able to claim an Input Tax Credit in respect of the GST **We** collect from **You**. There may be other taxation implications affecting **You** depending on **Your** circumstances. If **You** are unsure about the taxation implications of **Your Certificate** **You** should seek advice from **Your** accountant or tax professional.

It is a condition of this **Policy** that the **Insured** shall at all times cooperate with **Us** and **Our** representatives in the adjustment and investigation of any claim or potential claim by:

- a) providing **Us** and **Our** representatives with access to any person(s), information, records and documents **We** may require; and
- b) the **Insured**, his family, representatives, agents, employees, bailees or other persons having care, custody or control of the **Horse** submitting to examinations under oath, if required by **Us**.

3) Several Liability Clause

The liability of an **Insurer** under this contract is several and not joint with other **Insurers** party to this contract. An **Insurer** is liable only for the proportion of liability it has underwritten. An **Insurer** is not jointly liable for the proportion of liability underwritten by any other **Insurer**. Nor is an **Insurer** otherwise responsible for any liability of any other **Insurer** that may underwrite this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read to reference of contracts in the plural.

4) Law / Jurisdiction / Disputes Clause

The parties are free to choose the law applicable to this **Policy**. Unless specifically agreed to the contrary this **Policy** shall be governed by Australian law.

Both parties must use their best efforts to achieve resolution by the selected process and further agree that neither party will initiate litigation (as set out in clause (c) below) without first pursuing such informal resolution techniques in good faith.

In the event that the dispute is not resolved by such informal process within 35 days of the Dispute Notice (or such other period as agreed in writing between the parties) the dispute shall be referred to litigation.

a) Following either mediation or an expert determination pursuant to clause (b) of this provision, either party may then initiate proceedings in any competent Court in the Commonwealth of Australia in relation to the matters in dispute.

Such proceedings may only be commenced on 14 days written notice to the other party and shall be determined in accordance with the law and practice applicable in such Court.

Any summons, notice or process to be served upon Underwriters may be served upon:

Lloyd's Australia Limited
Suite 1603 Level 16, 1 Macquarie Place
Sydney NSW 2000

who has authority to accept service and to appear on Underwriters' behalf.

If proceedings are instituted against any one of the Underwriters, all Underwriters participating in this insurance will abide by the final decision of such Court or any competent Appellate Court.

b) Except where the dispute renders it impossible to do so, the parties will continue performing their respective obligations under the **Policy** while the dispute is being resolved, unless and until such obligations are terminated or expire in accordance with this agreement.

c) Each party must use its reasonable efforts to ensure that where a dispute is reasonably foreseeable, it is dealt with at a sufficiently early stage to ensure that there is minimal effect on the ability of either party to perform its obligations under the **Policy**.

d) Either party may at any time commence court proceedings in relation to any dispute or Claim arising under, or in connection with the **Policy** where the party seeks urgent interlocutory relief.

5) Policy Format
